Job Description

Job Title: Point Of Care Testing (POCT) Coordinator

Reporting to: Group POCT Operations Manager

Liaises with: POCT & QMG

Overall Job Purpose:

To provide administration and technical support and to ensure efficient provision of POCT services.

Main Duties:

To include, but not be restricted to, the following duties:

1. Assist with the distribution of IQC and EQA samples, collation of returned data from the appropriate software for reporting.

2. Assist with the stock control and despatch of consumables for POCT to client sites, including maintaining an electronic stock inventory and month end reconciliation. Managing and placing purchase orders when stock consumables need to be purchased.

3. Analyser configuring and troubleshooting.

4. Carry out procedures for IQC and EQA sample testing on in-house devices, temperature monitoring of fridges and freezers.

5. General office duties associated with POCT activities.

6. Manage client incoming telephone enquiries and email enquiries and update POCT with necessary information and troubleshoot where appropriate.

7. Work with the POCT to ensure the POCT service offered is maintained to the highest standards as required by our accreditation bodies.

8. To be responsible for effective and efficient diary management and scheduling of training. Work independently when required.

9. Additional responsibilities as required.
General Duties

To become familiar with the day – to day organisation of the department as it affects your work. You should be aware of the functions of the members of staff in the department as they affect your work. To attend department meetings as required.

To undertake such work as you are assigned in a careful and efficient way and in compliance with current UKAS 15189:2012 standards, regulatory requirements and the TDL Quality Management System.

To communicate in a friendly, helpful and non-prejudicial manner in your dealings with staff, clients and / or customers as you will be regarded as a representative of your department as well as the Company, and you should behave accordingly. Matters regarding patients and our clients are confidential and must not be discussed except in the course of your duties. You will be expected to sign an undertaking to observe all patient and Company confidentiality.

To be aware of and abide by the rules and codes of the department. This is particularly important in the case of Health and Safety and Fire procedures. To behave in a professional manner and cooperate with all other members of staff at all times.

You will be trained for the work you are expected to do. Do not attempt any work unless you are confident that you can carry it out properly.

To maintain high standards of work within your department.

Other duties as assigned by your manager.

To participate in an Annual Joint Review.
